

Transit Station Opens in Reston Town Center

Good news for commuters who travel through Reston: effective Sunday, April 16, 2006, **Fairfax Connector** bus service will start operating out of the new Reston Town Center Transit Station. Existing bus stops and transfer areas on Bluemont Way and Explorer Street will be moved to the new Transit Station, which is located on Bluemont Way across from Library Street.

Bus routes that will be operating from the new Transit Station include **Fairfax Connector** routes 504, 505, 556, 574, 605, 950, and RIBS 1/2/3/4.

In addition to the opening of the new transit facility, several **Fairfax Connector** bus routes will change as follows:

BEGINNING SUNDAY, APRIL 16, 2006

- **Routes 504, 556, 574, 950 and RIBS 1/2/3/4:** Routing of buses within Reston Town Center will change slightly so that they can enter and exit the RTCTS efficiently. Route 605 will not change.
- **Route 505:** Will not operate on New Dominion Parkway or Explorer Street.
- **Route 950:** Alabama Dr and Elden St stops will be relocated to Elden St.
- **RIBS 1 and 3:** Buses will not pull into Lake Anne Village Center, Tall Oaks Village Center or the Hunters Woods Fellowship House during weekday morning and afternoon rush hours. Buses will continue to pull into these locations during non-rush hours on weekdays and Saturdays and Sundays.
- **RIBS 2:** The stop for the Target store will be moved from the store's entrance in the parking lot to the stop on Sunset Hills Road adjacent to the store. Buses will no longer pull into the parking lot. The weekday 5:05AM, 6:05AM, 6:35AM and 9:05PM trips will no longer pull into Kaiser Permanente.
- **RIBS 4:** Service on Lake Newport Road and North Village Road will be discontinued. Instead, buses will turn right from Reston Parkway onto Center Harbor Road and pick up the regular routing from there. Also, service on Grace Street from Harbor House to Elden Street will be discontinued. Instead, buses will use Forthnightly Boulevard and Center Street for returning to Elden Street where the regular routing will be picked up.

BEGINNING MONDAY, APRIL 17, 2006

- **Route 553:** Five of the nine PM trip departure times from the West Falls Church Metro Station will change.
- **Routes 951 and 952:** Trip frequencies will change from every 12 to every 30 minutes, and the PM routing for both of these routes will change.
- **Route 980:** More trips will be operated, particularly during the peak of the afternoon rush period.
